## ▶ ASCENT’s Healthcare Careers Job Portal

addresses the critical workforce shortage in **Allied Healthcare**

### “Unlock Your Career Potential”

in Allied Healthcare through the Job Portal.

Allied healthcare is the backbone of the health sector playing a crucial role in diagnosis, treatment and patient well-being. However, it faces a critical shortage of skilled workers. Companies struggle to find qualified candidates, while talented individuals struggle to find the right opportunities.

### For Employers:

#### “Overcoming Hiring Challenges”

- Effortlessly connects with suitable candidates.
- Simplifies and Streamlines the recruitment process in an efficient manner.
- Provides access to a diverse and extensive pool of candidates.
- Matches candidates with the right skills.

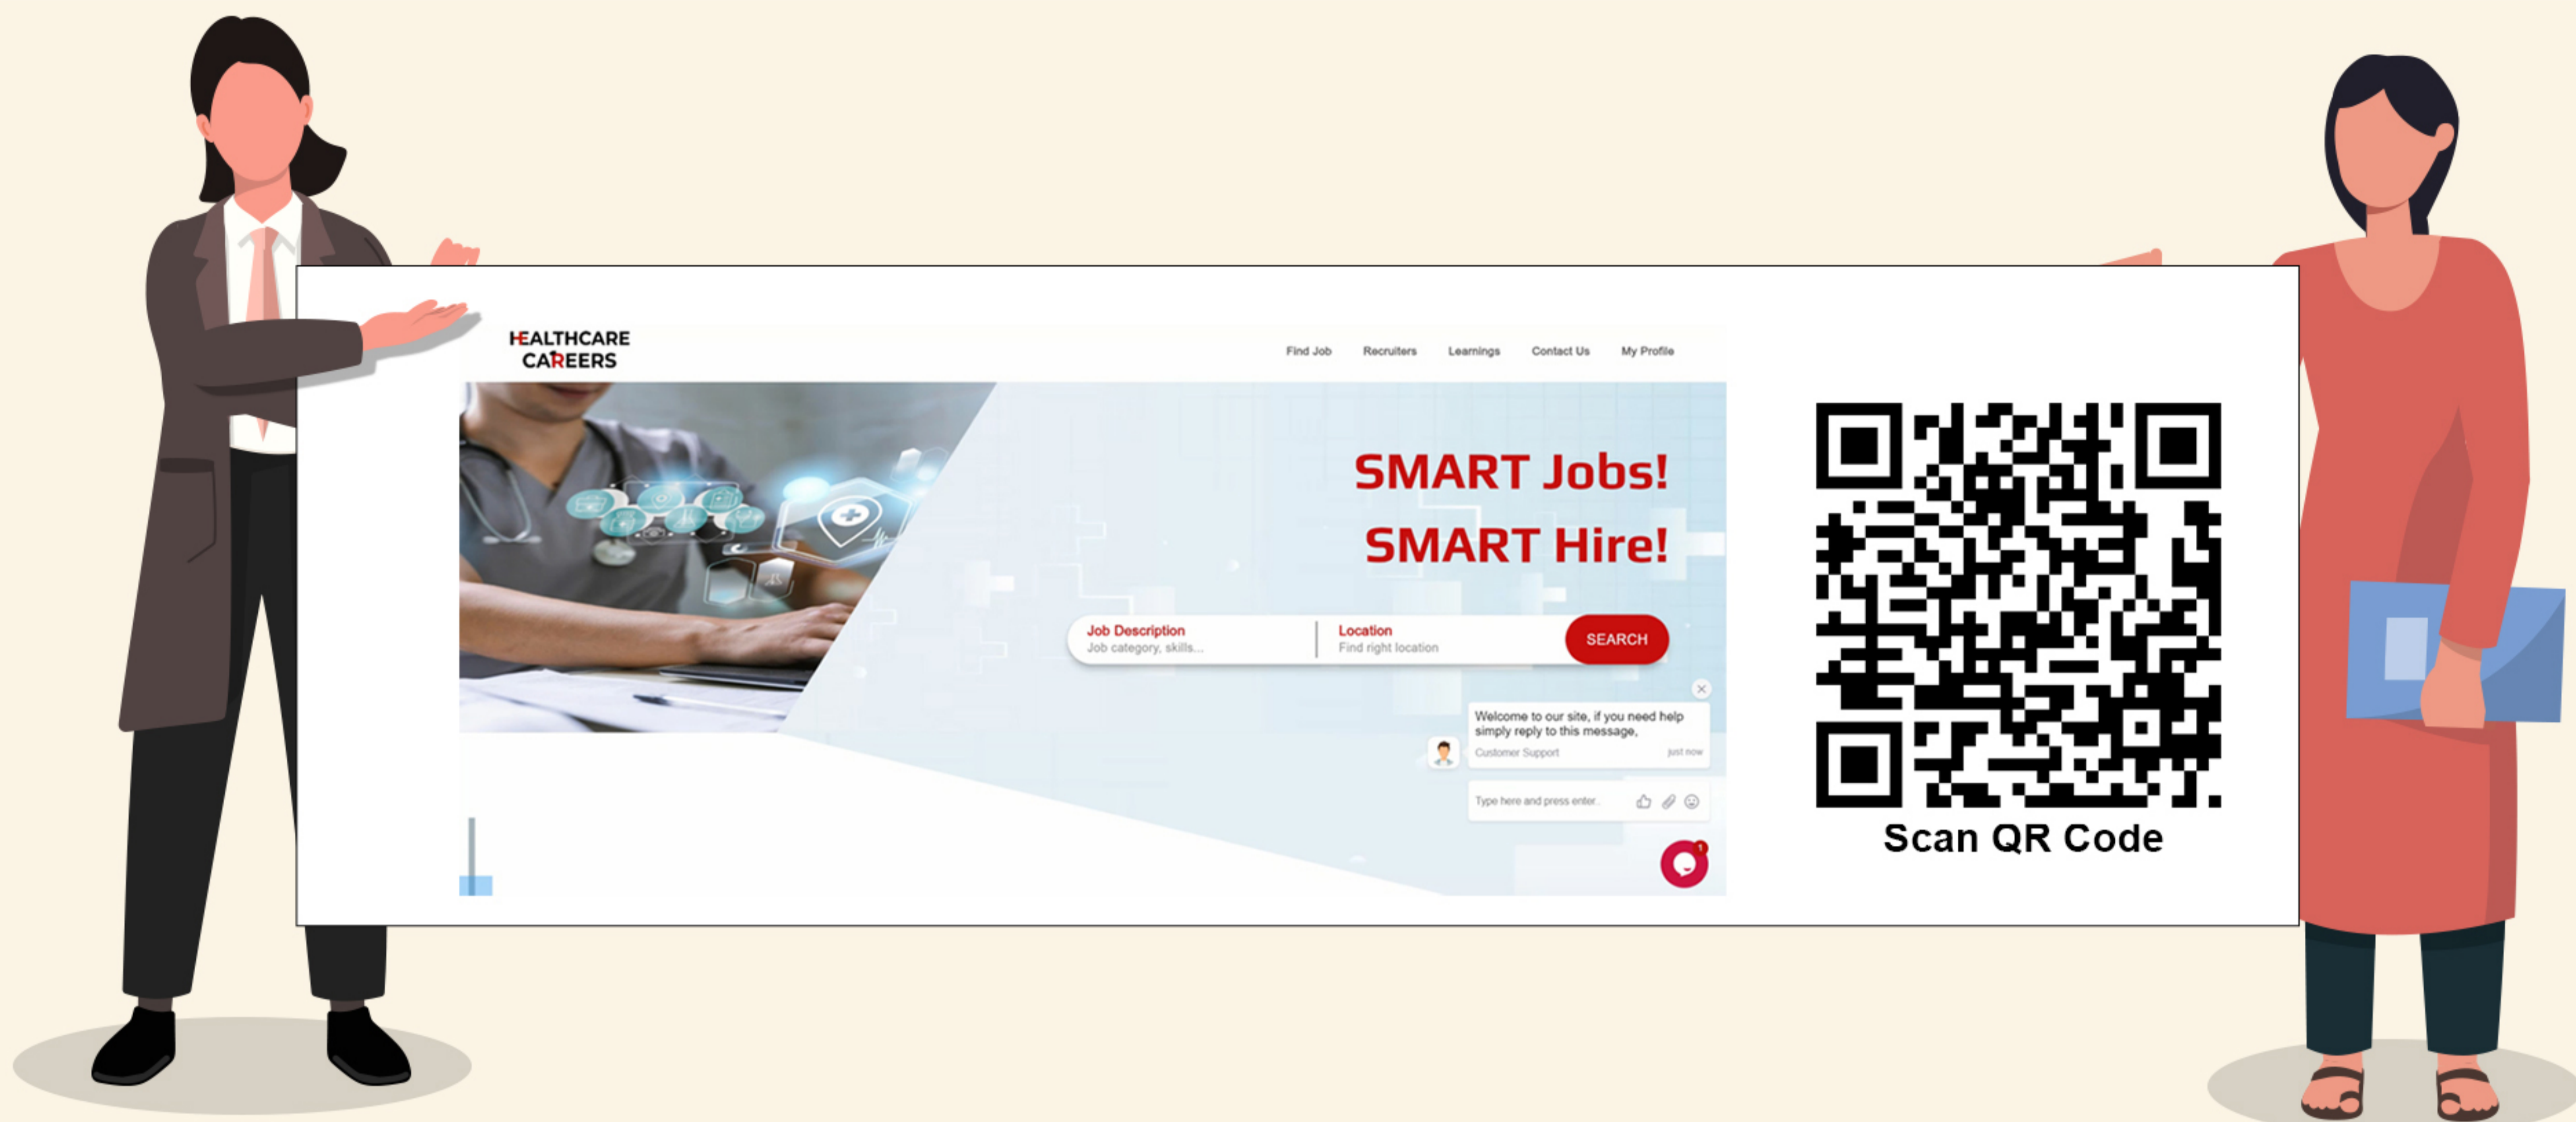

### For Job Seekers:

#### “Navigating the Job Market”

- Access to unlimited opportunities at zero cost.
- Helps find job opportunities that align with the candidate's skills and career goals.
- Provides opportunity to upskill with a wide range of courses available on the "Learnings" page.
- Receive insights on how many employers have viewed your application.

# INTRODUCING HEALTHCARE CAREERS powered by ASCENT

This innovative platform is designed to bridge the gap between employers and job seekers, providing a seamless and effective way to connect and build fulfilling careers.

The job portal is a centralized and transparent platform that allows both employers and job seekers to interact fairly and optimally. The core features, such as posting jobs, screening applications, scheduling interviews, saves time and resources for both the stakeholders.
